

AMES TOWN & GOWN CELEBRATED 60th SEASON WITH A SPECIAL GIFT TO CITY

To celebrate our forward-looking spirit, as well as our longevity, Ames Town & Gown chose to present a special, permanent gift to citizens of Ames. As audiences enter the lobby of the City Auditorium, they are now surrounded by a beautiful and colorful art installation by textile artist Priscilla Sage. Town & Gown commissioned a six-piece hanging work, entitled *Con brio* (translated "with spirit!"), to enhance the space, and was joined in this project by the Ames Public Art Commission, which has purchased two wall-mounted works by Sage.
