

Policy Statement on Persons with Disabilities

Ames Town & Gown Chamber Music Association believes that exposure to the arts is an essential factor in leading a full life and reaffirms its commitment to making our chamber music events available to all people, including those with physical and cognitive disabilities. The Association will continue to enhance opportunities for enjoyment of chamber music by people with disabilities and will use best efforts to assure that their needs are taken into account in its programs, activities, and facilities.

All our events are held in Handicapped accessible buildings
